REFERENCE: DEBT SETTLEMENT PLAN

Dear Treasurer:

The Commission has reviewed your Debt Settlement Plan (DSP) received on 2/5/14. Based on this review, the Commission has concluded the DSP does not meet the requirements of 11 CFR Part 116.

-A completed and signed Part II must be submitted for each creditor included in the DSP. For any creditors that cannot be located, you must show that the committee has exercised reasonable diligence in attempting to locate them. Reasonable diligence means that the committee has attempted to ascertain the current address and telephone number, and has attempted to contact the creditor by registered or certified mail, and either in person or by telephone. (11CFR 116.9)

To be complete, Part II must include:

- Terms of the initial extension of credit and nature of the debt.
- Description of efforts made by the committee to pay the debt.
- Description of remedies pursued by creditor to collect the debt.

If in the future your Committee wishes to submit another DSP, it may do so by providing a complete FEC FORM 8 and the Commission will process your settlement in accordance with 11 CFR § 116.7.
